Annette Rogers **Core Person Trustee**

Annette has been with Mt Tabor for around 34 years. She is currently the representative for the Core people and a Trustee on the Board of Mt Tabor. She has represented people with disability on the Board of Citizen Advocacy for 25 years where she has made an active contribution enabling Board members to increase their understanding of the issues facing people with disabilities and the deaf community. She has undergone training as a board member with Citizen advocacy and attended conferences representing Citizen Advocacy. Annette recently undertook training with Imagine Better in the Power of 10. Annette completed the Certificate in Teaching People with Disabilities at the Auckland College of Education several years ago. Annette has a good understanding of her rights and the issues facing people with disabilities and deaf. Annette has been a role model for deaf people and their right to be represented at all levels of an organisation. Annette is intelligent and enthusiastic and is always willing to be involved in projects and events. She is sociable and well liked and has been a volunteer and guide for deaf people at the 1990 Commonwealth Games and on the HMS Endeavour.

He aha te mea nui o te ao
What is the most important thing
in the world?

He tangata, he tangata, he tangata
It is the people, it is the people, it is the people

Kaupapa

Every person has the potential to maximise their
potential given the right support.

This may be achieved through a process of
independence, interdependence and dependency.
